

CITY LAUNCHES CLEAN-UP REWARD CAMPAIGN

The City of Jasper is launching a Clean-Up Reward program. This is an incentive program to encourage residents to clean up their yards and any surrounding areas. The City of Jasper will select up to five (5) winners, who will receive a month's free utilities on all services that we offer that you subscribe to.

We are asking that you take before and after pictures of your residence and submit them to City Hall for consideration of our reward program. Please include your name, telephone number, service address, and account number for your City services.

A committee appointed by Mayor Gary Gatlin will be the judges awarding the rewards.

The deadline for your submission will be the **second Monday of each month**. The reward winners will be announced at the regular monthly City Council Meeting. The first reward will be announced at the **April 16th meeting** and the rewards will be applied to **the May payment**.

The City wide clean-up campaign in association with **Keep America Beautiful** will occur on Saturday – April 7. **Let's make Jasper Shine!**
